Dear Scott,

Once again, I want to thank you for your professionalism, flexibility and courtesy in providing our groups' transportation needs on our recent annual visit to Philadelphia's Dad Vail Regatta.

This year marks the third time we have used your services, and we have been most pleased with the results each year. Weather you are showing your flexibility with our schedule due to rain delays, as in the past, or demonstrating your promptness with arrivals and drop-offs, your company is the best!

It is the personal touch that we appreciate the most. Friendly smiles and the pleasant attitude of all your drivers, really make us feel welcome when we come to your area. I would highly recommend *Priority Shuttle* to anyone in Philadelphia.

Sincerely,

Diane Deaton
