Dear Scott:

On behalf of Mayo Medical Laboratories I would like to thank you for the excellent transportation services you provided to our conference attendees during our recent visit to Philadelphia from May 18 – 20, 2005.

Our attendees appreciated your prompt service, professional, courteous staff, your comfortable and clean vans, and most of all your humor. I personally appreciated your positive attitude, your willingness to communicate with me as necessary, and your competitive pricing. As an Event Planning Specialist I always have numerous details to keep a close eye on and from the first time I spoke with you I knew that your service was going to be fantastic and that it would be one less thing for me to worry about. Your willingness to make unplanned stops with very little notice was also very much appreciated.

Thanks again, Scott. We will certainly use Priority Shuttle when returning to the Philadelphia area in the future, as well as recommend your service to others. Your attitude and superior customer service will continue to differentiate you from other transportation companies.

Sincerely,

Gina M. Brennan
