Dear Scott:

Just wanted to thank you and your firm for the excellent job that you did for our group visiting Philadelphia from March 3 – March 6, 2005. As you may recall, the group was composed of high-ranking port officials from Namibia, and most of them had never been to the U.S. before, therefore we appreciated your firm's high quality service during their stay.

Your firm's flexibility, professionalism, reasonable prices, and friendly attitude ensures that we will use you again in future trips to the Philadelphia area.

Thanks again,

Burak Inanç
Technical Manager
