Dear Scott:

Thank you very much for accommodating the transportation needs of the House of Representatives Agriculture Committee members and staff during our recent visit to Philadelphia. In retrospect, it was fortunate that the other company did not fulfill their obligation and that we found you as an alternative. I not only appreciate your willingness to fit us (last minute) into your schedule, but your friendly attitude as well!

Your drivers were always on time, were in communication with me as necessary, and did everything to make our experience pleasant. Your vans are comfortable and *clean* and I never once worried that we wouldn't be able to keep to our strict schedule, which allowed us to enjoy our visit all the more. You should know that I received compliments from both Representatives and staff regarding the quality of your service overall.

Once again, we appreciate your excellent service and will certainly recommend Priority to others. You can be proud of your business!

Sincerely,

Kerry Golden, Executive Director
Agriculture and Rural Affairs Committee
